6. Proceed about half a mile.
7. We are on the right. We have a small wooden sign "Nakashima" and two black mailboxes, numbered 1847.
8. You may park near the low stone wall near the shop or to the right close to the road. Please do not park in the turnaround circle.
9. We also have a second gate between the Main Shop and Finishing Room. Parking is available around the bend. Our Office is in the "Showroom," the small fieldstone building behind the main shop, next to the low Japanese Cut-Leaf Maple.
